DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 15 July 2005 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Delete "for" in the third line of claim 1, for the line three of claim 1 to read as the following:

"associating a distinct embox with [[fær]] each of the plurality of characters".

Allowable Subject Matter

3. Claims 1-6, 8-19 and 21-27 are allowed.

4. The following is an examiner's statement of reasons for allowance: none of the prior art has been found by the examiner that suggests a modification of or a combination with the cited prior art so as to arrive to the independent claims 1, 14 and 27; none of the prior teach or suggest a method for typesetting a text line and associated with it a

computer program product and desktop publishing system for controlling a typesetting of a text line comprising associating a distinct embox with each of the plurality of characters and associating a reference character with each of the plurality of characters, each associated reference character being one of one or more preselected reference characters having the same font and dimensions as the associated character; using the associated reference character to determine a coordination point for each distinct embox and thereby determine a coordination point for each of the plurality of characters; and aligning each distinct embox with a coordination line using the determined coordination point for each of the plurality of characters to typeset the plurality of characters on the text line.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Eisen whose telephone number is (571) 272-7687. The examiner can normally be reached on M-F (9:00-5:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick Edouard can be reached on (571) 272-7603. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
